

**A healthy workforce is a productive workforce**

**The extent to which HIV and Aids will affect the organisation tomorrow depends on how well it is managed today.**

**SANS 16000 is a standard that provides organisations with clear guidelines for the management of HIV and Aids amongst workers in the organisation.**

**Our consultants successfully completed projects in South Africa, Botswana, Namibia, Mozambique, Zambia, Kenia and Saudi Arabia to name but a few.**

# **SANS 16000 Managing HIV and Aids in the workplace**

**What happens to your organisation tomorrow if HIV infection gets out of hand today?**
